

Sabina

Made just for you!

The story of love
starts with a gift
what do we have here
it's an engagement — — — —

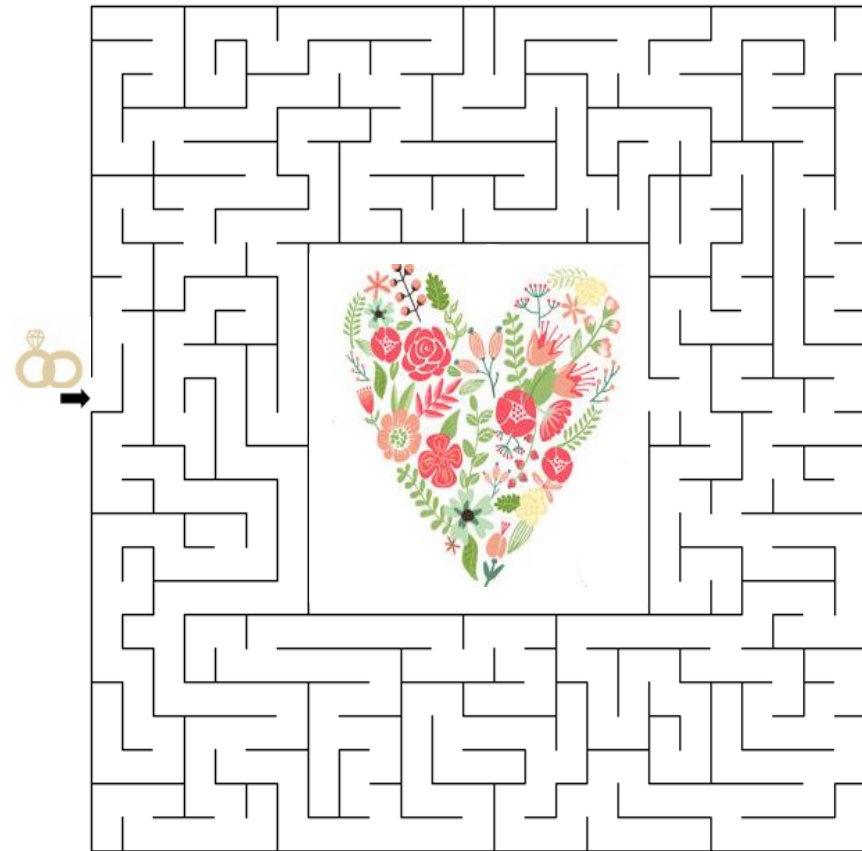

Nougats and crosses
play ones or two
go to the Bride
to get something new

Before the cake
ends on your plate
color it all
as sweet as you can

The wedding rings
should never be apart
help them to find
their way to the heart

Look at the words
under the riddle
find their place

they are not just in the middle
